

Your digital health matters, too.

Protecting it is easier than you think.

Identity theft can be a side-effect of poor digital health.

You and your family share all kinds of personal, private, and sensitive information online everyday. Your information is valuable to you — and it's also valuable to cybercriminals

Consider your own digital habits:

- How do you protect personal information on your mobile devices?
- Do you ever connect to public, unsecured Wi-Fi?
- Are you using the same password on multiple accounts?
- How does your family engage online?
- Have you been a victim of identity theft before?
- How do you identify phishing texts or emails, and compromised websites?

Identity theft can happen easily. We make protection easy too.

We believe people have the right to feel safe online.

Millions of people trust us to keep them safe online, and so can you Norton LifeLock Benefit Plans can help safeguard multiple devices, keep your online activity private, and help protect your identity. It's never been easier.

Protect your digital health and your peace of mind.

While you're relaxing, we are scanning. Norton LifeLock Benefit Plans provide an all-in-one solution to help protect you and your information from falling victim to identity theft. Get alerts to possible identity threats, the ability to proactively lock accounts, and if your identity is stolen, we work to fix it.

As of February 1, 2022

No one can prevent all identity theft or all cybercrime.

† We do not monitor all transactions at all businesses.

* Does not include monitoring of chats or direct messages.

** These features are not enabled upon enrollment. Member must take action to activate this protection.

▽ Norton Family and Norton Parental Control can only be installed and used on a child's Windows PC, iOS and Android devices but not all features are available on all platforms. Parents can monitor and manage their child's activities from any device – Windows PC, Mac, iOS and Android – via our mobile apps, or by signing into their account at my.Norton.com and selecting Parental Control via any browser.

1 If your plan includes credit reports, scores, and/or credit monitoring features ("Credit Features"), two requirements must be met to receive said features: (i) your identity must be successfully verified with Equifax; and (ii) Equifax must be able to locate your credit file and it must contain sufficient credit history information. IF EITHER OF THE FOREGOING REQUIREMENTS ARE NOT MET YOU WILL NOT RECEIVE CREDIT FEATURES FROM ANY BUREAU. If your plan also includes Credit Features from Experian and/or TransUnion, the above verification process must also be successfully completed with Experian and/or TransUnion, as applicable. If verification is successfully completed with Equifax, but not with Experian and/or TransUnion, as applicable, you will not receive Credit Features from such bureau(s) until the verification process is successfully completed and until then you will only receive Credit Features from Equifax. Any credit monitoring from Experian and TransUnion will take several days to begin after your successful plan enrollment.

††† Reimbursement and Expense Compensation, each with limits of up to \$1 million for LifeLock with Norton Benefit Essential and LifeLock with Norton Benefit Premier. And up to \$1 million for coverage for lawyers and experts if needed, for all plans. Benefits under the Master Policy are issued and covered by United Specialty Insurance Company (State National Insurance Company, Inc. for NY State members). Policy terms, conditions and exclusions at NortonLifeLock.com/legal.
